

## **Job Specification**

### **General Operative – JTM Energy**

Location: Wicklow, Ireland

Company: JTM Energy

Position: General Operative

Reports to: Operations Manager

Job Type: Full-Time, Permanent

Salary: Competitive, based on experience

### **About JTM Energy**

JTM Energy is a leading provider of energy storage systems, dedicated to innovative solutions that help integrate renewable energy into the grid. We pride ourselves on our commitment to sustainability, cutting-edge technology, and exceptional service.

### **Role Overview**

As a General Operative at JTM Energy, you will be responsible for supporting the production, assembly, and maintenance of our energy storage systems. This role is integral to ensuring the efficiency, quality, and safety of our operations.

### **Key Responsibilities**

- Production Support
  - Assist in the assembly and installation of energy storage systems.
  - Operate machinery and equipment as required.
  - Perform quality checks on products to ensure they meet company standards.
  - Assist with packaging and labelling of finished products.
- Maintenance and Upkeep
  - Conduct routine maintenance on equipment and machinery.
  - Report any issues or malfunctions to the supervisor promptly.
  - Keep the work area clean, organized, and free of hazards.

- Inventory Management
  - Assist with inventory control and stock management.
  - Ensure accurate recording and reporting of stock levels.
  - Help with the receipt and inspection of incoming materials.
- Health and Safety
  - Adhere to all health and safety regulations.
  - Use personal protective equipment (PPE) as required.
  - Participate in safety drills and training sessions.
- Team Collaboration
  - Work effectively within a team to meet production targets.
  - Communicate clearly with colleagues and supervisors.
  - Assist in training new staff members when needed.

## **Key Requirements**

Experience: Previous experience in a manufacturing or warehouse environment is desirable but not essential as training will be provided.

- Basic understanding of production processes and equipment.
- Strong attention to detail and a commitment to quality.
- Ability to follow instructions and work independently.
- Good physical stamina and the ability to lift and move heavy objects.
- Excellent teamwork and communication skills.

## **Benefits**

- Salary conditions according to experience
- Comprehensive training and development programs
- Opportunities for career advancement

## **Equal Opportunity Employer**

JTM Energy is an equal opportunity employer. We celebrate diversity and are committed to creating an inclusive environment for all employees.
